**ORDER:**

The Engineer-in-Chief (Projects-II) in his letter read above has reported that the Survepalli canal takes off at KM 0.600 of main canal at Nellore anicut and it is major distributory supplying water to 47,000 acres Ayacut in Nellore delta. This canal runs through Nellore city for 5 Km length literally dividing the city into two parts i.e., Eastern part and Western part. There are several road bridges constructed across Survepalli canal for access to the public as well as for crossing over the canal by heavy traffic transport machinery and other vehicles to perform day-to-day activities. The bridges are old mostly single lane. The existing two-lane bridge at Stonehousepet (Atmakur bus stand area) connects Nellore mini bypass road with the wholesale business center of Stonehousepet, Nellore. Due to ever increasing traffic and also due to construction of a fly over near PSR bus stand the existing 2 lane bridge is not able to meet the needs of local traffic there by causing frequent traffic jams for a long duration and making lives of the general public miserable.

2. The Engineer-in-Chief further reported that keeping in view of the requirements of ever increasing traffic and to relieve the area from traffic congestion the existing bridge is proposed to be widened with two double lane bridges on either side to suit with the existing road alignment and detailed estimate is prepared for Rs.190.00 Lakhs as per S.S.R.2010-11.

3. The Engineer-in-Chief has therefore requested the Government to accord administrative approval to the estimate for Rs.190.00 Lakhs ( Rupees One hundred and Ninety Lakhs only) for the purpose.

4 In the circumstances reported by the Engineer-in-Chief , (Projects-II) , Government after careful examination hereby accord administrative approval for Rs. 190.00 Lakhs (Rupees One hundred and Ninety lakhs only) for construction of Double Lane bridge on either side of existing bridge across Survepalli canal at KM 1.65 near Stonehousepet in Nellore town in relaxation of G.O.Ms.No.367 I&CAD (PW) Dept., Dt.25.08.90.

5. The expenditure sanctioned in para ( 4 ) above, shall be debited to the Head of Account " 4701 COL on M&MI (01) Major Irrigation (Commercial)- 115 PRC system – 27 Canals & Distributories –530-531 O.E".

P.T.O.,

//2//

6. The Engineer-in-Chief (Projects – II ) shall take necessary action, accordingly.

7. This order issues with the concurrence of Finance (Works & Projects) Department vide their U.O.No.732/F7 (A2)/11-1, dated:28.2.2011.

( BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
